

Pre Summit Event: Special Session

Wednesday, 11 May 2011

Special Session on Liquidity Management in the Islamic Financial Services Industry

The Special Session on Liquidity Management in the Islamic financial services industry, which is a joint collaboration between the IFSB and Banque centrale du Luxembourg, is scheduled to be held after the Country Showcases as part of the pre 8th Summit events. The Session will discuss some pertinent issues relating to liquidity management in the Islamic financial services industry. There will also be a presentation on the establishment of the International Islamic Liquidity Management Corporation (IILM), which is an initiative by the IFSB that will start operations in February 2011.

The session is followed by a Welcome Cocktail hosted by Banque centrale du Luxembourg for all Summit registered participants.
